Que 1 Discuss the possible factors that inhibit India from enacting for its citizens a uniform civil code as provided for in directive Principle of state policy (10M, 150 words)

3/10

Ans.

Art. 44 of the constitution, define uniform civil code(UCC) as provided in directive principle of state Policy.

.5

In well written manner define short form with its complete form once.

Factors that inhibit India from enacting its citizen a UCC

1. presence of different religion and ethnic identity
eg:→ Hindu - Muslim conflict, Kuki - Meiti conflict

example shows different perspective

2. low level of literacy and tolerance among people

.5

There is no relation

eg:→ low level of education led to lack of rationality - eg: Patriarchy, child marriage

Caste based
Communilism based...
⇒ In democracy Vote based politics would be...

3. Vote based Politics that encourage more differences among the people : for eg Caste based political parties, khaap Panchyat, untouchability

1

4. Economic disparity :→ Rural-Urban divide, more crimes related to culture diversity in rural areas, eg Honour killing

don't pass judgments without references.

5. lack of implementation of Constitutional Values :→ lack of fraternity, equality, in people's consciousness.

most Valid point

1

way forward
→ strictly implementation of Policy & Programmes. by govt. eg. MGNREGA to reduce Economic disparity
→ Strengthen implementation of fundamental duties of Constitution
→ ~~Eth~~ enforcement of Ethical Based Education

Not a language of Conclusion

To implement UCC, firstly Constitutional Values should be followed by all citizen of India.

Que 2 Under what circumstances can the Financial Emergency be proclaimed by Prez. of India ? what consequences follow when such a declaration remains in force? (6M, 150 words)

2.5/10

Ant. Art. 360 of constitution define provision of financial emergency that be proclaimed by President.

Also add if there was a period of financial emergency or was any possibility for financial emergency. it create introduction more senseful.

$\boxed{\text{circumstances for financial Emergency}}$

(1) Economic slowdown in country that led to harsh unemployment and high inflation

for eg :→ economic slowdown of 1991 in our country. Why this example?

1

(2) failure of Big Banks, Investor and Business in the country. Banking System

(3) failure of finance ministry to control the economic financial activities problems.

...e on
this margin

(4) lack of funds and money in central Bank. RBI

Consequences of remaining in force

(1.) Unrest in the country :→
for eg Civil war in Sri lanka after high inflation & unemployment

1

(2.) fall of govt. and decline of faith in democracy

trust or believe

(3) failure of constitutional Machinery in country

(4.) decline of Economy of country and increase influence of outside countries on Trade & market.

The question is not of GS Paper-3 Therefore, the ideas must be on the perspective of Indian Polity

way forward → Keep a good Balance of Trade
→ Improve Export by ease of doing buisness
→ Improve Taxation system of country.
Liberalisation, Privatisation and Globalisation

Comment
As a fresher no doubt you are going in positive way. Keep it up!
⇒ Work on Content!

Indian govt. should focus on better implementation of tax system to stop this type of conditions.
